

Child Evangelism Fellowship

The purpose of this ministry is to bring the gospel to boys and girls who have been left untouched by the local church, establish them in the Word of God, and direct them to a local church.

Their ministries include:

- After School Good News Clubs
- 5 Day Clubs
- Camp Good News.

Their vision for the future is to see all kids hear the Gospel right where they are – either at school or in their own neighborhood. Then, they want every child that is touched by the ministry to be followed up by a local Bible following church.

Their goal is to be in every school in Summit County. As of December of 2006 they were in 32 of the approximately 90 schools in the county.

Opportunities to Help:

- Daily prayer partners praying for the children, volunteers and staff
- Teachers and helpers for the after school Good News Clubs
- Jr. and Sr. High summer missionaries for 5 Day Clubs
- Hosts for summer 5 Day Clubs
- Sponsor for summer campers
- Financial partners
