

## Hands of Hope

The purpose of this ministry is to give others hope in a non-judgmental way. They are committed to making positive changes in broken lives, materially and spiritually.

They are a group of caring people who provide working hands, who help provide for material needs in times of crisis, then ministering to the spirit and empowering individuals to meet their goals.

Since its inception in 1999, that humble bag of dolls has metamorphosed into over 13,000 toys and 80,000 stocking stuffers as well as books, puzzles, and clothing items without number. Over 4,000 children have been served, and the role call of volunteers has grown each year, their desire to become involved both dedicated and passionate. Without the spirit of volunteerism, this ministry wouldn't exist.

### *Opportunities to Help:*

- Pray for those who are in need
- Share financial donations
- Contribute new toys and gifts
- Donate clothing, books and winter apparel
- Become a volunteer
