

Love Akron

Love Akron is a ministry dedicated to bringing together both pastors and ministry leaders in the Greater Akron area. It began in 1994 as a call for pastors and leaders who shared a desire to pray for one another, the churches and ministries they served, and the cities that they represented. They seek to answer the question "What can the Christian community do together that we cannot do alone?"

Its cofounders include Ron Fowler, Knute Larson and Mark Ford.

The vision through this ministry is to:

- Conduct Love Akron Prayer retreats
- Establish concerts of prayer events throughout Summit County
- Create a city wide network where people pray around the clock for spiritual awakening.
- Establish prayer districts according to zip codes
- Develop media as a tool for inspiration and communication to the Christian community
- Host seminars and workshops for pastors and Christian leaders

Opportunities to Help:

Volunteering your time, talents and tithings
