

Moms in Touch

Moms in Touch International impacts children and schools worldwide by gathering mothers to pray. They encourage the formation of prayer groups of two or more moms, grandmothers, for each and every Akron School.

The purposes of this group include:

- Learning to pray scripturally for your children
- Standing in the gap for our children through prayer
- Praying that our children will receive Jesus as Lord and Savior, then stand boldly in their faith
- Praying for the well being of teachers, administrative staff and students
- Providing support and encouragement to moms who carry heavy burdens for their children
- Praying that our schools may be directed by Biblical values and high moral standards
- To be an encouragement and a positive support to our schools

Their visions for the future:

- Three or more contact persons to oversee 8-12 Akron MITI Group Leaders
- Additional two area coordinators to oversee 40-80 MITI Group Leaders throughout Summit County.
- Every Summit County school covered in prayer with a MITI group

Opportunities to Help:

Join a prayer group for your children's school, or, if one doesn't exist, start one.
