

South Street Ministries

South Street Ministries is dedicated to helping hurting people in the community. Founded by Duane Crabbs and his wife Lisa, their goal is to extend God's kingdom and righteousness in South Akron by taking spiritual formation and spiritual warfare seriously. They focus on Christian community development, residential participation, leadership development, resource investment, job partnership support, and long-term commitment.

They minister in prisons, bars, through their bike shop, after school program, women's support group, and Bible study.
